WELCOME MESSAGE

Thank you for your interest in the Deputy Director of Communications and Engagement role at DE&S:

This is a key senior appointment in our organisation, leading activity to build and protect DE&S' reputation with key stakeholders including employees, parliamentarians, media and the general public.

The role has responsibility for ownership and development of DE&S' key communications assets and channels and is accountable to the Director Strategy & Corporate Affairs.

This is an opportunity to join a critical post in an organisation making a material difference to defence of the UK homeland, at a hugely pivotal moment in its development, looking both externally across wider MOD and UK defence, and internally to our change programme.

You will demonstrate the ability to be a key player in the DE&S business, leading communications and engagement activity across the business, meeting both corporate requirements and delivering enabling services.

Defence Equipment and Support delivers and sustains capability for His Majesty's Armed Forces. We also play a major role in the prosperity of the UK by spending £8 billion every year on UK contracts, supporting more than 88,000 jobs.

As a leader in the business, you will also have a pivotal role in creating a diverse and inclusive environment where everyone can flourish, supporting transformation of the business, and specifically the corporate organisation.

This is an exciting time for DE&S, and we look forward to discussing with you how you might become part of our journey during the recruitment process

OUR ASSESSMENT PROCESS

We have tailored our assessment process to allow a more balanced scoring of our applicants across all stages of recruitment. This means that applicants receive a score against each stage, and each stage has a weighted outcome towards the overall final assessment score.

Stage 1: Application & Shortlist (weighting of 10%)

You will receive an email acknowledgment of your application. As part of your application, you will submit your CV and Supporting Statement, from which the panel will consider the evidence you have provided against the essential criteria set out at page 10 of this candidate pack, they will then score how well you have demonstrated this and select a shortlist of applicants accordingly. The full timeline on the next page indicates the date by which decisions are expected to be made and all candidates will be advised of the outcome as soon as possible thereafter.

Stage 2: Staff Engagement Exercise (weighting of 20%)

If you are shortlisted for interview, you will be asked to complete a Staff Engagement Exercise. Where you will be asked to deliver a 10 minute presentation (subject will be shared with you following shortlisting) to a small audience of DE&S employees. During this session, DE&S colleagues will have the opportunity to ask you questions and following the session will score you on your presentation. This assessment is designed to provide more insight into you as an engaging leader and will contribute to the panel's decision on who to appoint following interview. You will also be asked to complete a Psychometric Leadership Questionnaire which will not contribute to the assessment score, but will assist the panel in forming interview questions.

OUR ASSESSMENT PROCESS

Stage 3: Presentation (weighting of 20%)

Shortlisted candidates will be asked to deliver a face-to-face presentation to the panel on a pre-arranged subject at the start of their interview. The presentation will be scored separately by the panel and will contribute to the final candidate score.

Stage 4: Interview (weighting of 50%)

Shortlisted candidates will be asked to attend a face-to-face panel interview to have an in-depth discussion of their previous experience and professional competence in relation to the essential criteria set at page 10 of this candidate pack. The interview will be scored separately by the panel to contribute to final candidate scoring.

Stage 5: Offer

Following the final interview candidates will have their total scores calculated and the order of merit will be determined from this. The candidate who's scored the highest overall will be offered the role and reserves will be determined from highest to lowest appointable score. Should a candidate score below our appointable benchmark they will be unsuccessful and un-appointable. Candidates will be notified of the outcome, as soon as possible after the final interview.
